

GARRETT®

SuperWand®

PN 1552900

A Reliable Hand Held Metal Detector

The Garrett *SuperWand* represents top-class reliability and precision in the field of metal detection for secondary screening. Crafted with the needs of security professionals in mind, this hand-held metal detector wand is an essential tool for ensuring safety at airports, sports events, and various security checkpoints. Its advanced technology detects a wide range of metal objects with extreme accuracy, including knives, guns, and other weapons.

Certified for:

NIJ National Institute of Justice

NIJ-0602.02 compliant

Look for the mark of Garrett quality

Dual alarm mode

Select clear audible or silent search/vibrate alarm modes. Power switch and LEDs positioned for easy access and high visibility.

Pinpointing Tip

360° Detection field

provides uniform sensitivity and tip pinpointing to detect weapons and other metal objects with extreme accuracy.

Self-calibrating

Digital microprocessor technology eliminates the need for periodic sensitivity adjustments.

One-touch button operation

3-way switch (On, Off, Silent)

Elongated 8.75" (22.2 cm) scan surface

for easy scanning from head to foot.

Ergonomically designed grip

Fits comfortably in virtually any size hand.

Optimum sensitivity

Detects ferrous, non-ferrous and stainless steel weapons, contraband and other metallic objects.

Rugged, high-impact construction

with structurally isolated coil for added impact absorption. Exceeds Mil-Std-810G (drop test) Method 516.6, procedure II.

Three-color LED indication	Green LED= ON Amber LED = LOW BATTERY Red LED = ALARM
Operating Temperatures	-35° F (-37° C) to 158° F (70° C)
Width	3.25" (8.3 cm)
Thickness	1.25" (3.2 cm)
Length	19" (48.3 cm)
Total Weight	18.6 oz (.53 kg)
U.S. Patent No.	D459,246 S
Battery Requirements	one 9V (included)
Warranty	3 Year, Limited Parts/Labor

Part No.	Super Wand Accessories
1612000	110V Rechargeable Battery Kit
1612100	220V Rechargeable Battery Kit
1620300	Belt Holster

SUPERWAND Accessories (sold separately)

Regulatory Information: The SuperWand® meets U.S. and international regulatory requirements for electromagnetic safety. Extensive research has found no information that would indicate Garrett products have adverse effects on pregnancy, medical devices (such as pacemakers) or magnetic recording media. However, directives by physicians and medical device manufacturers regarding metal detectors should be followed.
